# BIO-OXYGEN® CHEM DECON

ENVIRONMENTALLY FRIENDLY, WITH A 99.99999% KILL RATE  
AGAINST BIOLOGICAL AND CHEMICAL THREATS

Artemis Bio-Oxygen® Chem Decon is a broad-spectrum disinfectant and decontaminant with the highest kill rate measurable (99.99999%) against harmful viruses, bacteria, fungi and chemicals. It's also inherently biodegradable and environmentally benign.

This remarkable patented formula was invented by America's top scientists at Sandia National Laboratories. Artemis licensed the formula and now makes it available for commercial use.

Bio-Oxygen® Chem Decon has been used for more than 12 years by federal agencies, professional remediators, corporations, hospitals, schools and others when the threat is so serious, the damage so severe and the stakes so high, that there can be no compromise.

# ▲ BIO-OXYGEN® CHEM DECON FEATURES & BENEFITS

## EFFECTIVE

Proven effective in thousands of applications by U.S. military, federal agencies including FEMA and professional remediators, this broad-spectrum disinfectant and decontaminant neutralizes biological and chemical threats.

## ENVIRONMENTALLY SAFE

As safe as it is effective, Bio-Oxygen® Chem Decon is non-toxic, is non-flammable, contains no VOCs, is water based and is inherently biodegradable. It's not harmful to humans or pets, and does not damage surfaces.

## VERSATILE AND EASY-TO-USE

Simply mix the two parts of Bio-Oxygen® Chem Decon in a 50-50 ratio at time of use and apply as a foam, fog, mist or spray, or use with a bucket and mop.

## LEAVES A RESIDUAL BARRIER TO PREVENT REGROWTH

Bio-Oxygen® Chem Decon creates an invisible barrier that is extremely resistant to microbial growth on surfaces and substrates, yet is completely non-toxic.

## SAVINGS

Bio-Oxygen® Chem Decon significantly reduces remediation costs and creates healthier environments for employees and customers. This product is not harmful to surfaces and speeds the time to reopen facilities.

## TRUSTED

Made in the U.S.A, Bio-Oxygen® Chem Decon is readily available for professional and personal use.

## VALIDATED

Rigorously tested at U.S. Federal laboratories and universities, EPA-registered Bio-Oxygen® Chem Decon formula is effective against numerous biological and chemical threats. Bio-Oxygen® Chem Decon is FIFRA-registered against these biological threats: Human Coronavirus, Anthrax, MRSA, C. diff, Salmonella, Norovirus, Influenza A, Influenza B, Staph, Listeria, Bubonic Plague, Ebola and Black Mold. Mitigates chemical threats including: Sarin, VX, Hydrogen Cyanide, Cyanogen Chloride, Chlorine, Phosgene.
