Unsuitable Extinguishing Media	Not Applicable.
Protective equipment and	Promptly remove all persons from the vicinity of the incident if there is a fire. Move containers
precautions for firefighters	from fire area if this can be done without risk. Use water spray to keep fire-exposed containers cool.
Specific Hazards Arising	The product causes burns of eyes, skin and mucous membranes. Thermal decomposition can lead
from the Chemical	to release of irritating and toxic gases and vapors. In the event of fire and/or explosion do not breathe fumes.
Fire Fighting Equipment	In the event of a fire, wear full protective clothing and NIOSH-approved self-contained breathing apparatus with full face piece operated in the pressure demand or other positive pressure mode. Increases the flammability of combustible, organic and readily oxidizable materials.
