

### Directions for Use:

1. After pepper spray and less lethal spray contamination, close eyes. Spray SoRite® Defense Cleanse directly onto the facial area.
2. DO NOT SPRAY DIRECTLY INTO EYEBALLS.
3. After spraying facial area, strobe and blink eyes rapidly. Do not rub eyes.
4. Allow affected skin tissue to remain wet for a minimum of 15 seconds.
5. After 15 seconds, rinse with large amounts of clean water and blot dry with clean towels.
6. Spray a clean towel with SoRite Defense Cleanse spray or use Defense Cleanse Towelette and blot facial area repeatedly.
7. Repeat the previous steps as needed.

Defense Cleanse is a mild eye irritant and designed to significantly shorten recovery time from OC/CS/CN/Pepper Spray contamination to the facial area. Recovery times will vary according to skin type. Recovery time may be reduced if contaminated clothing is removed.

Significantly Cools The Skin &  
Reduces Recovery Time From  
OC/CS/CN/Pepper Spray Contamination
